

## SW 216<sup>th</sup> STREET IMPROVEMENTS

---

**Client Name:** *Miami-Dade County Public Works Department / Kimley-Horn & Assoc. (Prime)*

**Type of Service:** *Civil Engineering Services*

---

Milian, Swain and Associates, Inc. (MSA) assisted Kimley-Horn & Associates with the following Engineering Services for the roadway improvements to SW 216<sup>th</sup> Street (Hailin Mills Driv) from SW 127 Avenue to the Florida Turnpike (approx. 2.1 miles). MSA's services included:

- Drainage/Stormwater Management
- Pavement Markings & Traffic Signage
- Maintenance of Traffic Plans
- Preparation of drainage/stormwater management calculations per public works/DERM criteria.
- Preparation and submittal of a Standard General – Surface Water Management (local E.R.P.) permit per DERM requirements.

**MSA provided Engineering Services for the Improvements at SW 216<sup>th</sup> Street**
